Food & Beverage Centre

Our history begins in 1996 year with the development of F&B ingredients and machinery supplies. Growing to become the industry's leading provider with substantial F&B ingredients, we deliver valuable products and solutions in many sectors of food and beverage markets.

Located in Malaysia, a country with multiethnic makeup of its population, our cuisine here well reflects the diversity of cultures. By all means, we inspire our customer to make the world tastes their food.

### OUR VISION AND COMMITMENT

We apply our processing expertise to address manufacturing challenges and help customers design consumer winning products.

It is all about meaningful food experiences. We aim to withhold the unique heritage in the meantime combine bold innovations to offer wonderful tastes and memorable moments.

Today, after 23 years, we remains as a solid business that constantly building legacy rich in innovative, high-quality products that meet the changing needs of our customers.

To hold on to the most professional as well as innovative F&B provider, well developed business model is delivered to benefits everyone in the food supply chain.
